CITATION DISMISSALS

The Judge is only allowed to dismiss citations in very limited circumstances. This includes instances of renewal of an expired driver's license, vehicle registration or inspection, upon presentation of insurance that was valid at the time of the citation, or for corrected equipment violations. If you believe you fall in one of these categories, contact the court prior to your appearance date to discuss the requirements for your case.

You MAY be able to have your citation dismissed upon completion of a Driver Safety Course or deferral program.

Deferral Requirements

- 1. Contact the Court for permission first.
2. Payment of Citation, plus \$100 special expense fee.
3. Successful completion of probation period, usually 30 - 90 days.

DSC (defensive driving) Requirements

If you do NOT have a CDL and have a Valid Texas Driver's License, you have the option to complete a Drivers Safety Course to have a citation involving the operation of a motor vehicle dismissed. You must not have had a citation dismissed through a driving course in the last 12 months. You must send items 1-5 below by the due date on your citation.

You will then have 90 days to complete the DSC course and provide the certificate along with item 6.
